## Supplier Roundtable

The Supplier Roundtable session offers you an additional opportunity to present a product or products of your choice to decision makers in a more one-on-one setting. For the price of \$450 (plus HST), you will present to several small groups in 15-minute increments allowing you to showcase your product(s) in much greater detail. Please note that companies will be selected based on a variety of product offerings; indicating your interest in participation does not necessarily guarantee a roundtable will be available. Companies must already be an exhibitor to be considered and will not be charged the Roundtable fee unless/until selected to participate.

**YES!**

I am interested in being a Roundtable Sponsor. Please contact me with more information.
